

Formal Challenge of the 12 Presumptions of Law

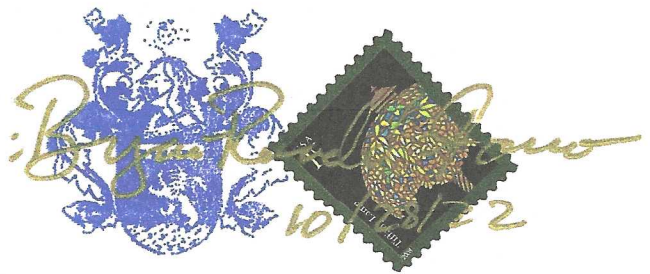

I, man; :Bryan-Ronald: Tomeo, the undersigned formally challenge the Presumption of Public Record, Presumption of Public Service, Presumption of Public Oath, Presumption of Immunity, Presumption of Summons, Presumption of Custody, Presumption of Court Guardians, Presumption of Trustees, Presumption of Government acting in two roles; as Executor and Beneficiary, Presumption of Agent and Agency, Presumption of Incompetence, Presumption of Guilt as they are by definition presumptions and have no standing or merit in presentable or material fact.

I formally challenge all presumptions of law and as I have formally challenged all twelve (12) presumptions of law, then the presumptions of Law formally has no substance in material FACT. I will recognize the rule of law, when and only when there is material evidence of, that assumed rule of law has some material evidence of substance in presentable material fact. Until then, the search for the rule of law, that has some credibility in material fact: continues. It is done. Without ill will or vexation.

HONOR AND FORGIVENESS

I pray for a just and equitable acceptance to settle this matter and make me whole. Should the Respondents chose honesty, integrity and remorse for their trespasses against me under:

- Exodus 34:7, ... who forgives iniquity, transgression and sin; yet He will by no means leave the guilty unpunished, ...
- Numbers 5:6-7, ... When a man or woman commits any of the sins of mankind, acting unfaithfully against the Lord, and that person is guilty, then he shall confess his sins which he has committed, and he shall make restitution in full for his wrong and add one-fifth to it, and give it to him whom he has wronged.
- Job 13: 18, Behold now, I have prepared my case; I know that I will be vindicated.
- Psalms 18: 47-48, The God who executes vengeance for me, and subdues peoples under me. He delivers me from my enemies; surely you lift me above those who rise up against me; you rescue me from the violent man.
- Proverbs 11:21, Assuredly, the evil man will not go unpunished, But the decedents of the Righteous will be delivered.
- Proverbs 20:22, Say not, I will recompense evil, but wait upon the Lord and He will save Thee.
- Proverbs 28:13, He who conceals his transgressions will not prosper, but he who confesses and forsakes them will find compassion.
- Haggai 1:5, Now therefore, thus says the Lord of hosts, Consider your ways!
- Zechariah 7:9-10, Thus has the Lord of Hosts says, Dispense true justice and patience, kindness and compassion each to his brother, ... and do not devise evil in your heart against one another.
- Matthew 5: 25-26 Make Friends quickly with your opponent at law while you are with him on the way, so that your opponent may not hand you over to the judge, and the judge to the officer, and you will be thrown in prison. Truly I say to you, you will not come out of there until you have paid up the last cent.
- Matthew 18:35 My Heavenly Father will also do the same to you, if each of you does not forgive his brother from your heart.
- Acts 3:19, Therefore repent and return, so that your sins may be wiped away, in order that times of refreshing may come from the presence of the Lord;
- Romans 12:17 Never pay back evil for evil to anyone...
- James 4:6, ... God is opposed to the proud but gives grace to the humble.
- 1 John 1:9, If we confess our sins, He is faithful and righteous to forgive our sins and to cleanse us from all unrighteousness.

- 1 Tim 1: 8-10 But we know the Law is good, if one uses it lawfully, realizing the fact that the law is not made for a righteous person, but for those that are lawless and rebellious, for the ungodly and the sinners, for the unholy and the profane, for those that kill their fathers or mothers, for murderers and immoral men and homosexuals and kidnappers and liars and perjurers, and whatever else is contrary to sound teaching.
- 1 Peter 3:16, and keep a good conscience so that in the thing in which you are slandered, those who revile your good behavior in Christ will be put to shame.

Then through Gods Almighty Grace, as a man of Honor; I am willing to forgive their offenses and accept half of all fines assessed be paid immediately in full.

Very much agree! Not too worried though as I've been following this for about 4 years.

It's sad to me that not many people know that it's not the virus that's killing people. It's the 5G-tower radiation that's weakening people's immune systems.

The media is using the WHO and CDC to suit their agenda because the Bill Gates foundation controls them all including the patent on COVID. He wants to vaccinate people with Chips controllable by 5G.

Behind the scenes Trump and the military is using this time to go after the deep state / sex traffickers hiding in their bunkers across the world. None of the troops are wearing masks or gloves.

More people will wake up when the Internet/Social Media goes down for a few days and they are forced to watch Trump explain how he drained the swamp and what NESARA will do for the USA.

Sorry, I know it's a lot to explain to anyone in one paragraph. I just don't want anyone to believe the fear the mainstream media is sensationalizing.

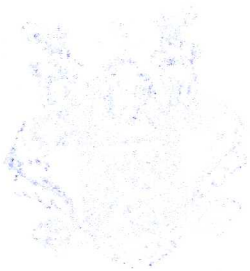

Glad the world is slowing down though, it needed a break to figure out what's really important.

Hang in there hope is around the corner.

Importance: High

All,

I thought I sent this out last month... recently some of you have asked and some of you already know.

After 5 months of hospitals and rehab centers, my Mom finally made her return home on Good Friday.

While she's about 75%, she is using her new "all limb bike", in good spirits and is climbing a flight of stairs once a day with assistance.

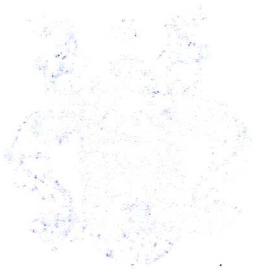

The adventure isn't over as the family is considering joining a class action lawsuit against Kaiser hospital for overdosing her on methadone and fentanyl to the point that she coded and may have permanent nerve damage but we are however all very grateful for this outcome and the positive result of all of your thoughts and prayers.

After all this I feel I have the platform to say: Please look after yourselves and your families as holistically as possible and stay away from those that have taken the trans-human injection. This thing has a 99.9998% survival rate. Only .0004% of the world has died. If you want more info from scientific doctors and experts on the effects of being around those taking the injection, please send me a text. If you already took it, read what the CDC put in it and send me your address so I can send you a Xmas card early. More have already died or been
